NIKOLAS MURDOCK

PRESSKIT

BIO

Nikolas Murdock started making music in 2013. he makes Blues, Folk, R&B and a genre called Singer/Songwriter. Also some hip hop. He doesn't really know what genre he plays. He uses an electric guitar and an RC-30 BOSS looping pedal. He looooooves looping. Ask him about it.

He was born in San Luis Río Colorado, Sonora, Mexico but he moves a lot. He's not really from anywhere.

He started his career in Metepec, Estado de México, where he lives right now. He took seven years of piano lessons. He is a self-taught guitarist.

His influences (in no particular order) are Gorillaz, Wu-Tang Clan, Barenaked Ladies, Say Anything, The Black Keys, Hamilton, Tyler The Creator, Nujabes, Hyperpotamus, Bo Burnham, San Fermin, and others.

ALBUMS

BORN BROKEN

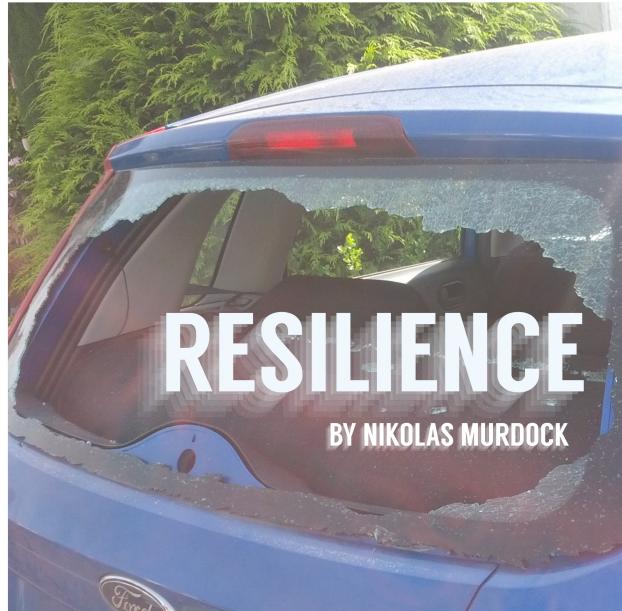

Born Broken came out in 2013 and was recorded in the radio lab in ITESM Campus Toluca, where Nikolas went to college. It was written, recorded and produced by Nikolas Murdock and his friends. The most famous song in the EP is Suicide, which is really catchy and talks about the feeling of wanting to kill oneself when a girl leaves you.

TRACKLIST

- 1. Suicide**
- 2. Together**
- 3. I Can't Remember The Lyrics To This Song But Im Gonna Sing It Anyway**
- 4. No Chance**
- 5. Eventually**

RESILIENCE

Resilience came out the 31st of October, 2016. It's about getting over obstacles. Inspired by the day when all the stuff he used to play was stolen, Resilience's purpose as an album was to create a body of work using the least amount of equipment.

TRACKLIST

- | | |
|---------------------------|-------------------------------------|
| 1. FINE | 6. Resilience |
| 2. Nightmares | 7. Taking Aim |
| 3. Cables | 8. Crying In Jorge's House |
